

Application No. 09/751,090

REMARKS

A Notice of Allowance and Fees Due was mailed in connection with this application on February 8, 2005. The amendments proposed herein do not change the scope of the allowed claims, but simply correct typographical errors. Accordingly, the proposed amendments do not require an additional search, do not necessitate more than a cursory review of the record, and do not require materially added work on the part of the Patent Office. Pursuant to 37 CFR §1.312, an amendment may be entered after the mailing of the Notice of Allowance, but before or with the payment of the issue fee, on the recommendation of the primary Examiner. Therefore, it is respectfully requested that the above-referenced application be amended as set forth herein.

Based on the foregoing, Applicant believes that the amendments set forth herein should be entered. Accordingly, entry of the amendments is respectfully requested. The Examiner is invited to contact the undersigned by telephone if doing so would expedite the resolution of this case.

Respectfully submitted,

SHERIDAN ROSS P.C.
